Prof. Giray Gozgor is a Professor at Istanbul Medeniyet University, Faculty of Political Sciences, in Istanbul, Turkey. He is also an affiliate of the CESifo Research Network, an expert of the Economics Observatory (ECO) and a fellow of the Global Labor Organization (GLO). Prof. Gozgor has worked at Ghent University and the University of California, Irvine, as a visiting scholar. He has been listed in the IDEAS/RePEc Economist Rankings (Among Top 1% Authors, Last 10 Years Publications) & IDEAS/RePEc Top Young Economists (15 years or less).

Prof. Gozgor's research interests include a variety of topics in Applied Econometrics, Climate Change Economics, Financial Economics, International Economics, and Political Economy. He has published almost 100 papers in the Web of Science (SSCI and SCIE) indexed journals, including Annals of Tourism Research, Energy Economics, European Journal of Political Economy, Journal of Human Capital, Journal of Travel Research, and Public Choice.

Dr. Liu Zheng is currently an Associate Professor at the City University of Hong Kong. Before joining CityU, she worked at the University of Hong Kong. She earned a Ph.D. in accounting from the University of Southern California. Her research interests are in financial reporting and corporate finance, including management compensation, corporate disclosure, auditing, and corporate innovation. Her current research focuses primarily on how formal and informal institutions affect firms' behavior. Her publications have appeared in the Journal of Accounting and Economics, The Accounting Review, Accounting, Organizations and Society, Journal of Corporate Finance, etc. Her teaching interests include both financial accounting and managerial accounting.

Dr. Zheng will provide an overview of her research topics on how litigation affects CEO compensation and financial reporting readability, and how social capital is related to investment and debt.
