

HSUHK SBUS Summer Research Camp 2026

The HSUHK School of Business (SBUS) is hosting a Summer Research Camp on June 11 (Thur), 2026 at our main campus (Siu Lek Yuen, Shatin). The purpose of the Camp is twofold:

1) to provide opportunities for colleagues to catch up with latest research issues in their own areas (Accounting, Economics and Finance, Management, and Marketing), to present and share research findings among peers, in order to receive useful feedback to enhance their research.

2) to provide opportunities for colleagues from different departments to discuss interdisciplinary research possibilities by getting to know each other's research and to explore ideas for writing proposals for the forthcoming RGC grant exercise.

Non-SBUS and external academic may attend the Camp by invitation. Light lunch will be provided, and refreshments will be available at the Departmental Research Planning Roundtable. Below please see a brief programme rundown of the event. For more details, please visit <https://rib.hsu.edu.hk/conference-and-symposium-3/>

Physical attendance only. To register:
